

Data Privacy Policy

Our website may be used without entering personal information. Different rules may apply to certain services on our site, however, and are explained separately below. We collect personal information from you (e.g. name, address, email address, telephone number, etc.) in accordance with the provisions of German data protection statutes. Information is considered personal if it can be associated exclusively to a specific natural person. The legal framework for data protection may be found in the German Federal Data Protection Act (BDSG) and the Telemedia Act (TMG). The provisions below serve to provide information as to the manner, extent and purpose for collecting, using and processing personal information by the provider.

Please be aware that data transfer via the internet is subject to security risks and, therefore, complete protection against third-party access to transferred data cannot be ensured.

Integration of services and content of third parties

Our offer sometimes includes content, services and services of other providers. These are, for example, maps provided by Google Maps as well as graphics and images from other websites. In order for these data to be accessed and displayed in the user's browser, the transmission of the IP address is absolutely necessary. The providers (hereinafter referred to as "third-party provider") thus perceive the IP address of the respective user.

Although we endeavor to use only third-party providers who only need the IP address to deliver content, we have no control over whether the IP address may be stored. This process is used in the case, inter alia, statistical purposes. If we are aware that the IP address is being stored, we will inform our users.

For uniform representation of fonts, this page uses web fonts provided by Google. When you open a page, your browser loads the required web fonts into your browser cache to display texts and fonts correctly.

When you call up a page of our website that contains a social plugin, your browser makes a direct connection with Google servers. Google thus becomes aware that our web page was accessed via your IP address. The use of Google Web fonts is done in the interest of a uniform and attractive presentation of our website. This constitutes a justified interest pursuant to Art. 6 (1) (f) DSGVO. If your browser does not support web fonts, a standard font is used by your computer.

Further information about handling user data, can be found at <https://developers.google.com/fonts/faq> and in Google's privacy policy at <https://www.google.com/policies/privacy/>.

Cookies

Our website makes use of so-called cookies in order to recognize repeat use of our website by the same user/internet connection subscriber. Cookies are small text files that your internet browser

downloads and stores on your computer. They are used to improve our website and services. In most cases these are so-called "session cookies" that are deleted once you leave our website.

To an extent, however, these cookies also pass along information used to automatically recognize you. Recognition occurs through an IP address saved to the cookies. The information thereby obtained is used to improve our services and to expedite your access to the website.

You can prevent cookies from being installed by adjusting the settings on your browser software accordingly. You should be aware, however, that by doing so you may not be able to make full use of all the functions of our website.

Server Data

For technical reasons, data such as the following, which your internet browser transmits to us or to our web space provider (so called server log files), is collected: - type and version of the browser you use - operating system - websites that linked you to our site (referrer URL) - websites that you visit - date and time of your visit - your Internet Protocol (IP) address. This anonymous data is stored separately from any personal information you may have provided, thereby making it impossible to connect it to any particular person. The data is used for statistical purposes in order to improve our website and services.

Contacting Us

On our website we offer you the opportunity to contact us, either by email and/or by using a contact form. In such event, information provided by the user is stored for the purpose of facilitating communications with the user. No data is transferred to third parties. Nor is any of this information matched to any information that may be collected by other components of our website.

Information/Cancellation/Deletion

On the basis of the Federal Data Protection Act, you may contact us at no cost if you have questions relating to the collection, processing or use of your personal information, if you wish to request the correction, blocking or deletion of the same, or if you wish to cancel explicitly granted consent. Please note that you have the right to have incorrect data corrected or to have personal data deleted, where such claim is not barred by any legal obligation to retain this data.
